

## Thank you for your visit.

“Namaekou” started small sales from hand-made web shops starting with hobbies. From there we can get a call on various events and we can continue with cooperation and support through encounters of various people. Only you ,cherish only one's feelings and all the people who got it in my hand feels peaceful.In the future era, we will continue to work closely together.

### 1. B to B Odermaid Your company name , your brand name incense

Proposal of custom made incense with the theme of "Sharing the philosophy", the secret story of the birth of company name and brand name. Since we tailor it from the expression of Yamato (sound, reverberation, rhythm), we propose an approach with incense as a medium.

(Proposaluse) Amenities, guest gift, special gift, benefits

### 2. "Thank you" "Congratulations" and others, the incense of words

Bonus, eventhough gifts are adults, I'm proposing a happy feeling with incense. I will be with you from the process of forming shape.

### 3. 3. Pop-up shop, event etc.
